February 2024

Message from the President

Greetings to All Alumni and Supporters,

Happy New Year to All! As we reflect upon the incredible support received during last year, the Executive Committee couldn't be more grateful for your unwavering generosity and belief in the mission of the Fairmont Heights High School Alumni Association.

Although the past years presented their share of challenges, your dedication has been a beacon of hope. Your support has played a vital role in the ongoing commitment to preserve the legacy of our alma mater, Fairmont Heights High School. We are never going to stop taking on the big fights and sticking with them until we receive all that is deserved for our alma mater. We are fortunate to have you standing beside us as we advocate for our school and its association.

We will keep you abreast of our initiatives and progress to ensure you stay informed about the impact of your support. Whether you have donated, became a member, joined a committee, or spread the word, we needed you and you were there! However, we need more alumni to become involved to further our progress. If you are not a member, we encourage you to join. Please visit the website **fhhsaa.com** and click on membership to access the electronic application; it is just that simple.

As always, we value your input and would love to hear from you. Please feel free to contact me at fhhsaa.president@gmail.com.

HISTORICAL COMMITTEE UPDATE

In 2023, we collaborated routinely with the Prince George's County School Board to transfer the Historic Fairmont Heights High School on Nye Street, to Prince George's County, Office of the County Executive. Historic FHHS is finally under the ownership of Prince George's County Government. This was a yearlong effort, starting in 2022 with many meetings and phone calls to get the school in the hands of the county. We're working with our state and local elected officials and the community to ensure that Historic FHHS will be revitalized and reused to benefit the community. We vetted a couple of organizations interested in reusing and revitalizing the historic school. The community has expressed a desire to reuse Historic FHHS to provide jobs, training, and education to the residents of the county and state. We're also collecting memorabilia and hoping to find space in the historic school for a museum.

Unfortunately, there was a fire at the Historic Fairmont Heights High School on February 13, 2024. We don't know the extent of the damage yet but will keep you informed as we learn more about the fire.
